HOW TO BECOME A WELLNESS ADVOCATE WITH dōTERRA

1 Enrol as a Wholesale Customer either by paying the yearly membership fee of R520 or by purchasing one of the dōTERRA product enrolment kits

2 Purchasing one of the dōTERRA product enrolment kits is the smartest way to enrol as these are usually incredibly well priced making your enrolment the perfect way to get your first oils and experience their powerful benefits.

3 Once we have enrolled you, we will begin the process of connecting you to our powerful support platform in order to provide you with the adequate knowledge & tools to become a Wellness Advocate.

4 As a Wellness Advocate you will be given your own account where you will be able to order products for yourself and your clients. These products can be delivered directly to your door & you will also be able to have products delivered to your clients' door.

5 As a Wellness Advocate you will receive all the necessary support required to build a successful business;

- Ongoing Mentorship
- Regular Online Training
- Guidance on how to use the oils
- Business systems, website & online tools
- How to purchase products on your account
- Full access to dōTERRA globally & SA team
- Stock delivered directly to you and/or your customers
- Free media material: e-books, class presentations, printouts etc
